Membership And Program Financial Assistance Application

THE ESSENCE OF THE Y

With a commitment to nurturing the potential of kids, promoting healthy living and fostering a sense of social responsibility, the Henderson County Family YMCA ensures that every individual has access to the essentials needed to learn, grow and thrive.

EVERYONE IS WELCOME

The YMCA welcomes all who wish to participate and believes that no one should be denied access to the Y based on their ability to pay. Through our Assistance Program, the Y provides assistance to youth, adults and families based on individual needs and circumstances.

COMMITTED TO OUR COMMUNITY

Determining the amount of assistance is handled by YMCAs in a fair and consistent manner. Every YMCA member receives the same membership benefits, regardless of whether or not they receive assistance. YMCA members can feel confident knowing that they are a part of an organization that cares greatly for the well-being of all people and is committed to youth development, healthy living and social responsibility.

The assistance program reduces membership and/or program fees; it does not eliminate them.

You will receive an approval phone call within a week of returning your completed application. If your application is incomplete, your application will be returned to you through mail for completion.

The YMCA requests that individuals and families reapply once each year to update documentation so we can ensure continuous service.

Membership fees are subject to change when you reapply. If you do not reapply at the time requested, your membership will expire.

Our Mission:

To put christian principles into practice through programs, services, and facilities that build a healthy spirit, mind, and body for all.
